MATCH

Technocracy

Model of government in which decisions are made by experts and technical, scientific criteria, entrusting engineers, economists, and scientists with the rational and efficient management of the state and the economy. Compatibility indicates how close your answers are to this profile.

“

— A SENTENCE THAT DESCRIBES YOU

I want a society run by experts, with technical decisions replacing political bargaining and a planned economy guided by scientific criteria.

Other ideologies

Left

Nordic Social Democracy

Scandinavian model combining tripartite collective bargaining among unions, employers and the state, a universalist welfare state funded by high taxes, and an open, export-driven market economy, with strong social consensus and low inequality. Compatibility indicates how close your answers are to this profile.

Left

Dengist Socialism

Pragmatic reform initiated by Deng Xiaoping that introduced markets, private property, and economic opening under the absolute control of the Communist Party, forming the model of socialism with Chinese characteristics. Compatibility indicates how close your answers are to this profile.

Center

Securitarian Democracy

Militant democracy doctrine, authorizing a democratic state to restrict the enemies of democracy itself by banning anti-system parties, monitoring extremists and maintaining conscription and reinforced security to defend the constitutional order. Compatibility indicates how close your answers are to this profile.

THE IDEOLOGY FURTHEST FROM YOU

Reactionaryism

Far-Right

Stance that rejects modernity and seeks to restore the pre-revolutionary order, defending monarchy, religion, tradition, and hierarchy against Enlightenment rationalism, liberalism, and democracy. Compatibility indicates how close your answers are to this profile.

— ABOUT THIS REPORT

12 Axes compares your answers with profiles of ideologies, countries and figures on the same 12 axes. Compatibility measures closeness between profiles; it is not a scientific diagnosis or a definitive label. Your answers are not stored.
